

ZERO-INTEREST LOANS OR REBATES for solar, wind or geothermal systems for your home

Now it's easier than ever to buy and install a renewable energy system. PowerHouse is a new loan and rebate pilot program brought to you by Enersource Hydro Mississauga, Hydro One Networks and Hydro One Brampton Networks, funded by the Ontario Ministry of Energy.

Come learn about renewable energy systems and the PowerHouse pilot program at a FREE workshop!
Register online at: www.powerhouseprogram.ca or by phone: 416-922-2448 ext. 239
